

Zig

GRANITE SIDE TABLE

Zig's granite base bends once at a sharp angle, so the tabletop looks like it's leaning into the turn. It's solid stone base bends sharply to create a striking zig-zag profile while supporting the tabletop with a sense of effortless balance.

STONE	DIMENSIONS	WEIGHT	FINISH
P White Granite	580 × 410 × 600 mm	~ 270 kg	Polished, Natural texture retained
